

Mahindra Satyam and Vision Solutions announce a global alliance partnership for High Availability and Disaster Recovery solutions

M.Sat is the first Indian IT company to have a global tie-up with world's HA/DR product leader

HYDERABAD, October 7, 2009, Mahindra Satyam, the new brand identity of Satyam Computer Services Ltd. (NYSE:SAY), a leading global consulting and IT services provider, today announced a global alliance partnership with Vision Solutions, the leading worldwide provider of IBM Power high availability (HA), disaster recovery (DR) and transformation solutions. This alliance will further strengthen Mahindra Satyam's HA/DR offerings.

Commenting on the partnership, **AS Murthy, Chief Technology Officer**, said, "We are pleased to partner with the world's leading IBM Power HA/DR solution provider as their partner of choice. This tie-up will enable us to leverage the growing market for HA/DR services by exploring new markets and supporting existing customers. These solutions ensure that business-critical information is continuously protected, available, minimize downtime and enhance productivity.

"We look forward to our partnership with Mahindra Satyam," adds **Allan Campbell, VP Sales and Channels – APAC** for Vision Solutions. "Be it quality customer service or excellence in delivery, Mahindra Satyam is a consistent performer, even during challenging times. We hope to leverage their expertise by taking our award-winning product suite to their existing large customer base and beyond."

Vision Solutions has a committed investment strategy in India. The recent appointment of Mr Bhavik Dangarwala as regional director will be followed by further investments in 2010."

Further commenting on this partnership **David Augustine, VP Infrastructure Services at Mahindra Satyam** highlighted that "The alliance enhances our HA/DR competency for i5/OS®, Windows® and AIX® operating environments by offering a portfolio that includes Vision's MIMIX®, EchoStream and Replicate1 solutions. This is a testimony of our commitment to further expand our Infrastructure services portfolio, a potential area of growth for Mahindra Satyam and deliver increased value to our customers. These solutions and services are offered to our customers by leveraging our world class Global delivery infrastructure and processes on a 24 x 7 basis, delivering optimum business value.

Vision Solutions and Mahindra Satyam have already started delineating a joint Go-to Marketing plan to tap into the multi million dollar HA/DR market.
